Cushion Calculation: Because Shellpoint Mortgage Servicing does not set your tax amounts or insurance premiums, your escrow balance contains a cushion of 413.40. A cushion is an additional amount of funds held in your escrow in order to prevent the balance from becoming overdrawn when an increase in the disbursement amount occurs. Your lowest monthly balance should not be below 413.40 or 1/6 of the anticipated payment from the account.

This is a statement of actual activity in your escrow account from June 2024 to May 2025. Last year's anticipated activity (payments to and from your escrow account) is next to the actual activity.
